

*An Event Lasts a Day  
Memories Last Forever*

This was the first place my daughter looked at for her wedding venue. She fell in love with this beautiful venue and did not look at another place. Everything was beautiful for the wedding and the food was excellent. Brittney could not have made a better choice. Her wedding was everything she wanted!

*Paula L.*

We could not have asked for a more perfect reception venue! With the new addition of the Ballroom it was everything we wanted and more. They were so helpful and let us set up early and answered our million questions. They even have a private room for the band off the stage! I cannot tell you how many people have complimented the food and the service. Not once did my husband or I have to ask for something or go get something ourselves...we were waited on the entire night. I would VERY highly recommend Castle Hill to anyone looking to get married in Oxford.

*Meagan H.*
